25 KIND WAYS TO SAY FUCK YOU AT WORK!

INTRODUCTION

No matter how nice you are, there will always be some people you want to send to another planet so that you never have to see them again. And that faraway place will have people ranging from your cheating ex to your nosy neighbors.

As a working professional, we are sure you go through and handle a whole range of emotions and feelings at work. Sometimes, it can even be like an emotional turmoil but you just cannot make express it or make it evident at your workplace. What do you do then? Because sometimes all you want to say is “fuck off” to somebody and actually mean it. This is not just because you want to but in fact, because that person deserves it. This is where it gets even more difficult! But in any case, you cannot just use those words at a workspace if you really like your job and reputation. What are your options?

25 KIND WAYS TO SAY FUCK YOU AT WORK!

Sometimes A "No" Is Just As Good As Fuck Off

So the folks at your workspace are really used to you saying yes to everything. You are someone who get things done. And yet, sometimes all you want is to be left alone. Sometimes you feel like you are overloaded with work and you need some time to lay off. And that's when you'll have one of your seniors on your head with more work for you. Your mind is screaming hundreds of "Fuck off" for this senior but you are by now trained to not speak your mind. Alright, you cannot say fuck off but guess what? You can say NO. Just say a firm no and also explain why you cannot take up the additional task. Do not change your mind. If they insist, say no again. That's their cue to fuck off.

But you can't use NO all the time. So bring you 25 ways to say FUCK YOU or FUCK OFF to your colleagues, staffs, bosses or your clients!
